Winners thrive in the art of Brunswick

Sculptor Richard Waghorn, Dave from the Brunswick Green, painter Ben Howe, Marti Cuatt, photographer An Bao and sculptor Pam Kleemann pose in front of the Brunswick Green after the winners of the Sydney Road walking gallery art competition were announced. For the past month, 60 artists have decorated the windows of shops in Sydney Road, Brunswick, as part of a Traders' Association exhibition to encourage people to stroll down Sydney Road. Sydney Road Brunswick Traders Association co-ordinator Claire Perry said the project, started in 1996, was a good for artists and traders because it provided a space for artists to exhibit their work, while drawing attention to local shops. The winners were awarded \$500 each for their efforts (sculptors Kleeman and Waghorn tied).
